

DAY TIME

Date: _____ Time: _____
Month, Day, Year *Hour:Minutes AM/PM*

Today I observed these things outside (draw what you saw):

NIGHT TIME

Date: _____ Time: _____
Month, Day, Year *Hour:Minutes AM/PM*

Tonight I observed these things outside (draw what you saw):

Circle the things in your pictures that you only saw during that time. Draw a box around the things you saw during both times.
Discuss: What was different? What stayed the same? Why?
